**ONLINE AND
IN-PERSON COURSE**
Can be completed in
as little as 12 weeks.

This course is fully funded – subject to these requirements:

19 years old or over

Lived in the UK or EU for 3 years.

Able to commit to the course.

How does the learning take place?

This course offers flexibility, allowing you to choose between in-person and online learning. Choosing online learning provides you with the full benefits of a traditional classroom experience, all from the comfort of your own home. Enjoy the convenience of setting your own study hours, making it a tailored and accessible learning experience to suit your schedule.

Anyone can take this course as long as they are able to commit.

Our tutors will be readily available to offer support, answer questions, and provide guidance in both the classroom and online settings through regular workshops and unit tutorials. The qualification will be assessed through the completion of an online or paper based final exam covering all topics learnt.

What will I receive at the end?

At the end of the course, upon satisfactory completion, all learners will gain a qualification accredited through City and Guilds:

- Functional Skills in Maths Entry Level 3/Level 1/Level 2

This certificate is a nationally recognised qualification which will support the development of your career and education.
